

2024 LCLD MEMBER BENEFITS

Building a Generation of Leaders as Diverse as the Nation We Serve

Welcome to the Leadership Council on Legal Diversity, a fast-growing national organization dedicated to building a more diverse and inclusive U.S. legal profession.

Since our founding in 2009, the idea behind LCLD has been simple but powerful: We engage the top leaders of today in a collaborative effort to find, train, and empower the most diverse generation of legal talent in American history.

That is why LCLD is made up of the General Counsel of Fortune 500 corporations and Managing Partners of the nation's leading law firms, each of whom has made a personal commitment to the defining mission of our organization.

Every year, they send their best and brightest to participate in LCLD's industry-leading talent development initiatives, which have served more than 15,000 individuals over the past decade through our Mentoring, 1L Scholars, Pathfinder, Fellows, and Alumni programs, all of which are detailed in this brochure.

Today LCLD program graduates make up one of the most powerful and diverse networks of attorneys in the profession.

To help these talented individuals fulfill their potential, LCLD Members also work through our Leaders at the Front movement to remove impediments to growth within their organizations, helping companies and law firms field leadership teams that reflect the growing diversity of their customers and clients.

Led by our Members, LCLD has grown into a vast community of legal professionals that spans the United States and beyond. It includes thousands of diversity officers, [department heads/practice group leaders], program participants, and Alumni who are energized by the mission of LCLD and committed to helping each other navigate leadership challenges ranging from new and disruptive technologies to the latest political crosswinds, including the recent Supreme Court rulings on affirmative action.

Inspired by the steadfast commitment of our Members, I'm truly excited about where we're headed in 2024 as we work together to energize our Member organizations with new ideas and solutions.

Through our programs, we will continue to empower the next generation of diverse legal talent while deepening the bonds and connections of the LCLD community. Our organizational motto—leadership, action, results—has never been more relevant.

I invite you to join me—and LCLD—in working together to make the American legal profession as diverse as the nation we serve.

Yours,

Robert Grey

LCLD Membership: A Commitment to Lead

To become a Member of LCLD is to join a community of like-minded individuals and organizations, united by their shared commitment to the ideals of equality and justice and to the advancement of underrepresented talent in our organizations. LCLD's remarkable success derives from the direct participation of our Members, whose contributions are valuable and wide-ranging.

Leaders at the Front. This movement calls on LCLD MPs and GCs to draft a public Leader's Pledge detailing the specific actions, both personal and organizational, that they will take in order to advance diversity, equity, and inclusion in their organizations. By raising their collective voice, LCLD leaders are working to make their organizations, their profession, and their nation more equitable and inclusive. Leaders at the Front

As leaders of some of the country's most powerful law firms and corporate legal departments, LCLD Members have significant influence within their organizations, networks, and communities. The Leaders at the Front movement is an opportunity to harness that influence by creating a personal, public action plan—a Leader's Pledge—that articulates your commitment to diversity and generates lasting organizational change.

Recognizing the power of this movement, the LCLD Board of Directors moved to require a Leader's Pledge as a condition of LCLD membership in 2022.

Here's how it works:

- 1 Visit the Leaders at the Front website to browse the [live pledges](#) that have been submitted by your colleagues and friends, as well as [LCLD resources](#) and a summary of the [impact areas](#) addressed by existing pledges. Let these serve as inspiration when creating your own pledge. Remember that a successful pledge includes goals that are specific, meaningful, and measurable.
- 2 [Submit your pledge](#) for publication on LCLD's website.
- 3 Need more help? [Reach out](#) to schedule a consultation with LCLD.
